Niman Nethmika

LANGUAGE

- Sinhala
- English

TECHNICAL SKILLS

- Python, C++, Dart, Ruby
- Flutter, Ruby on Rails, gRPC
- SQLite, SQL
- OOP, Data Structures & Algorithms
- API & Distributed Systems

SKILLS

- Problem-solving
- Communication
- Teamwork
- Time management
- Adaptability
- Quick learning

PROFESSIONAL PROFILE

Motivated and detail-oriented Computer Science undergraduate specializing in Software Engineering, currently in the final semester of the 3rd Year. Possesses strong foundational knowledge in software development, distributed systems, and full-stack development. Demonstrates hands-on experience through multiple academic and personal projects, with a passion for building scalable, secure, and user-friendly applications.

EDUCATIONAL QUALIFICATIONS

Bachelor of Computer Science (Software Engineering)
Edith Cowan University, Rajagiriya - Nov 2023 – Present
Currently in the final semester of the 3rd year

Foundation Certificate in Information Technology
Edith Cowan University, Rajagiriya - July 2022 – Nov 2023

Passed GCE Ordinary Level
Isipathana College, Colombo 05 - 2021 (2022)

PROJECTS

Distributed Banking System (Python, gRPC, SQLite)

- Engineered a distributed banking application using a 3-tier architecture (Client, Application Server, Database Server)
- Implemented remote procedure calls (RPC) for communication between services
- Developed secure user authentication and token-based session management
- Built transaction processing system with validation, fee computation, and failure handling
- Designed and managed database layer using SQLite for persistent data storage

Flutter Tic Tac Toe Game

- Developed a cross-platform mobile game using Dart and Flutter
- Implemented game logic, UI, and multiple levels

Quotes Web Application

- Built using Ruby on Rails
- Implemented role-based access and secure authentication
- Used SQL for data storage and management

C++ Dictionary Search Program

- Created a system to manage words, types, and definitions
- Included search functionality, file handling, and random word selection
